Limitation of liability for internal content

The content of this website has been compiled with meticulous care and to the best of the author's knowledge. However, the service provider cannot assume any liability for the up-to-dateness, completeness or accuracy of any of the pages. The service provider is not liable for any costs or damage that is caused by outdated, incomplete, wrong or ambiguous information.

Pursuant to section 7, para. 1 of the TMG (Telemediengesetz – Tele Media Act by German law), the service providers are liable for our the content on these pages in accordance with general laws. However, pursuant to sections 8 to 10 of the TMG, the service provider is not under obligation to monitor external information provided or stored on our website. Once the provider have become aware of a specific infringement of the law, he will immediately remove the content in question. Any liability concerning this matter can only be assumed from the point in time at which the infringement becomes known to him.

Limitation of liability for external links

This website contains links to the websites of third parties (“external links”). As the content of these websites is not under our control, the provider cannot assume any liability for such external content. In all cases, the provider of information of the linked websites is liable for the content and accuracy of the information provided. At the point in time when the links were placed, no infringements of the law were recognisable to the authors. As soon as an infringement of the law becomes known to the provider, he will immediately remove the link in question.

Data protection

A visit to this website can result in the storage on our server of information about the access (date, time, page accessed). This does not represent any analysis of personal data (e.g., name, address or e-mail address). If personal data are collected, this only occurs – to the extent possible – with the prior consent of the user of the website. Any forwarding of the data to third parties without the express consent of the user shall not take place.

The provider would like to expressly point out that the transmission of data via the Internet (e.g., by e-mail) can offer security vulnerabilities. It is therefore impossible to safeguard the data completely against access by third parties. The service provider cannot assume any liability for damages arising as a result of such security vulnerabilities. The provider will carry out proportionate actions to afford the users data transmission as secure as possible.

The use by third parties of all published contact details for the purpose of advertising is expressly excluded. The provider reserve the right to take legal steps in the case of the unsolicited sending of advertising information; e.g., by means of spam mail.
